

TAYLORS® DISCOVERIES

In the early 1960s Bill Taylor Snr had a dream; to create magnificent Australian wine that would rival the finest in the world, so he embarked on a journey to discover the perfect vineyard site. After a tireless search, Bill found what he was looking for in a relatively unknown valley in South Australia. Today these stunning wines are renowned the world over for their style, elegance and finesse, fulfilling Bill's dream and rewarding his perseverance.

Chardonnay 2020

REGION

South Australia

COLOUR

At release it is a pale straw with a slightly green hue.

NOSE

The wine has fresh, lifted aromas of peach and subtle tropical fruit characters along with touch of citrus.

PALATE

This wine is mouth-filling whilst still having a light and delicate texture. The mid palate is of medium weight with fleshy peach, subtle pineapple and citrus flavours. There is a refreshing, tight acidity and a lovely clean finish.
