# TAYLOR MADE<sup>®</sup>

Life is made of moments. Whether it's an event that's been planned for months, or an impromptu catch up just because, it's worth celebrating. With our wine, we live for these moments - creative sparks of inspiration like a delicate pressing of grapes, or an unconventional oak choice - crafted to change the everyday to the extraordinary. Whatever you're toasting, you'll find our wine Taylor Made for the moment.

## ROSÉ 2023

### COLOUR

At release the wine has a very pale salmon pink colour.

### NOSE

There are fresh strawberry and wild berry notes with hidden layers of complexity including hints of musk and floral notes.

### PALATE

This wine displays delicate strawberry with subtle rose talc characters. The extremely gentle fruit handling along with the naturally occurring enzyme clarification process has resulted in an enticing wine that is both delicate in nature but also surprising in its generous layers of mouth-watering flavour. A tightly structured acid line provides structure and the finish is crisp and dry.
