

well natured ORGANIC

The Taylors Well Natured range of organic wines are crafted using certified organic fruit with minimal intervention to show off the very best of what Mother Nature intended.

CABERNET SAUVIGNON 2022

REGION

Wrattonbully (single vineyard).

COLOUR

At release the wine is a dark rose garnet.

NOSE

Deep cassis, black berry, hints of mint.

PALATE

This is a medium bodied wine, full of black currant, black berry fruit characters with hints of mint and dark choc and fine, firm tannin.

OVERALL WINEMAKING COMMENT

What jumps out immediately when tasting both wines is their single vineyard purity. Other wines we make have layers of flavour and texture through our blending practices. These two wines are quite linear in structure as they are pure single vineyard wines. As such they are quite impressive.

OAK MATURATION

The wine was matured in a selection of 3 and 4 year old French oak barriques for a very short period (3 months) – used as storage as opposed to adding flavour.

TECHNICAL DETAILS

Alcohol	14.4%	Acid	6.6 g/litre
PH	3.54	Residual Sugar	0.2 g/litre
