CABERNET SAUVIGNON 2013

REGION

Clare Valley 55% / Coonawarra 45%

VINTAGE CONDITIONS

Growing conditions leading up to vintage 2013 could best be described as benign, apart from a few frost events in mid-October. There were very few significant rainfall events over the growing period with the season being described overall as dry. The first week of December saw rainfall which was most definitely a season changer. Without the rain event, the overall yields from 2013 would have been very low. Harvest conditions were excellent, allowing for a long ripening period and our winemakers report that quality is outstanding across all varieties, with excellent flavour development and tannin ripeness displayed in the resultant wines.

COLOUR

At release, the wine has a deep ruby red colour to the centre with a youthful purple hue to the edges.

NOSE

There are lifted aromas of dark blackcurrant fruit along with subtle choc-mint and a hint of eucalypt.

PALATE

This is a rich full-bodied wine yet at the same time, remains in balanced across the palate with fine, elegant tannins – the hallmark of great Cabernet. Intense flavours of blackcurrant and cassis delight with subtle savoury French oak characters of cedar and spice. The finish is long and persistent.

OAK MATURATION

The wine was matured in French oak barrels (50% 1 year old, 50% a combination of 2 and 3 year old) for a period of 10 to 12 months before being bottled.

CELLARING NOTES

Crafted for immediate enjoyment but will cellar over a long term under ideal conditions.

TECHNICAL DETAILS

Alcohol	14.5%	Acid	6.57g/litre
		Residual Sugar	0.6g/litre
