## CABERNET SAUVIGNON 2015

### REGION

Coonawarra 76% / Clare Valley 24%

### VINTAGE CONDITIONS

In Coonawarra, the 2015 season began well with average winter rainfall. Spring however was very dry and one of the warmest ever. Dry conditions continued through December but then the vines received refreshing rain in mid-January. The summer, however, was classic with warm days and cool nights, thus providing ideal conditions. In the Clare Valley, the growing season leading up to vintage 2015 saw slightly higher than average rainfall initially and then very little fell, with the driest ever August recorded. Rainfall for spring was also well below average, with frost events recorded and then warm and windy weather adversely affecting yields. December and January were relatively mild, with rain falling during the second week of January. Overall whilst yields were down, quality was high.

### COLOUR

At release, the wine has a deep ruby red colour to the centre with a youthful purple hue to the edges.

### NOSE

There are lifted aromas of dark blackcurrant fruit along with subtle choc-mint and a hint of eucalypt.

### OAK MATURATION

The wine was matured in French oak barrels (50% 1 year old, 50% a combination of 2 and 3 year old) for a period of 12 months before being bottled.

### CELLARING NOTES

Crafted for immediate enjoyment but will cellar over a long term under ideal conditions.

### TECHNICAL DETAILS

Alcohol	14.5%	Acid	6.94g/litre
		Residual Sugar	0.66g/litre

## EXPERT REVIEWS

### CABERNET SAUVIGNON 2015

**91/100**

Minty and ripe with silky texture and plenty of spice; smooth and juicy with balance and long, tangy finish

JAN 2017, Anthony Dias Blue, Tasting Panel Magazine
