## CABERNET SAUVIGNON 2019

### REGION

Coonawarra 60% / Clare Valley 40%

### VINTAGE CONDITIONS

Coonawarra received good winter rains leading into the growing season. A cool and dry April was perfect for ripening, allowing full flavour development and optimal sugar levels. Yields of red wine varieties were average to slightly below the long-term averages. All in all, winemakers have declared the vintage 2019 in Coonawarra to be excellent. In the Clare Valley, the growing season leading up to vintage saw lower than average winter and spring rainfall. This, along with some hail and frost events, affected yields overall. There were some extreme weather conditions during the growing season, including the lowest temperature recorded in spring and the highest ever temperature in summer, but overall, the vines showed great resilience and wine quality is excellent across the classic varieties.

### COLOUR

At release, the wine has a deep ruby red colour to the centre with a youthful purple hue to the edges.

### NOSE

There are lifted aromas of dark blackcurrant fruit along with subtle choc-mint and a hint of eucalypt.

### PALATE

On the palate, this is a rich, full-bodied wine with intense flavours of cassis and blackberry fruit along with attractive oak characters of cigar box and tobacco leaf. Overall, the wine is well balanced with complex, well-integrated, elegant tannins providing structure and an intense, persistent length to the finish.

### OAK MATURATION

The wine was matured in French oak barrels (50% 1 year old, 50% a combination of 2 and 3 year old) for a period of 10 – 12 months before being bottled.

### CELLARING NOTES

Crafted for immediate enjoyment but will cellar over a long term under ideal conditions.
