AUSTRALIA'S ICONIC WINE REGIONS PROVIDE EXTRAORDINARY DIVERSITY. WITH THE JARAMAN RANGE WE SEARCH FOR PARCELS OF EXTRAORDINARY FRUIT TO CRAFT WINES THAT SHOWCASE THEIR DISTINCTIVE REGIONAL CHARACTERISTICS AND STYLE.

PINOT NOIR 2017

REGION

Yarra Valley

VINTAGE CONDITIONS

In the Yarra valley, winter was very cold and drier than average in the lead up to vintage 2017. The valley experienced many frosts, with temperatures going down as low as -5 degrees. Snowfall occurred in the valley down as low as 300m. Spring started in the same fashion, with a very high frost risk due to cold nights and dry ground. There were numerous violent thunderstorms and heavy rainfall throughout spring, including a significant hail fall. Fortunately the hail occurred early in fruit set, and did not impact crops. Glorious warm weather in the second half of November saw vineyards flourish through flowering and fruit-set across all varieties, and a strong crop was set. The weather flipped completely in the New Year. Dry, fine conditions prevailed from early January to early April. The valley only had one significant rain event throughout the ripening period. Fortunately, mild days and cool nights mitigated against vine stress. A benign run of fine weather continued through to the end of vintage with Pinot Noir in the valley picked in the first two weeks of March.

COLOUR

At release, the wine has a cherry red colour to the centre with a vibrant purple hue to the edges.

NOSE

There is a delicate perfume of red cherry and raspberry with underlying delicate spice.

PALATE

This is a light to medium-bodied wine with a supple yet generously flavoured palate. On the palate, there is vibrant red fruit flavours with hints of tart raspberry and lithe tannins. The finish is long, graceful and wonderfully persistent

OAK MATURATION

The wine was matured in a combination of 2 and 3 year old French oak barriques for 12 months before being fined, filtered and bottled.

CELLARING NOTES

Crafted for immediate enjoyment but will cellar over a medium term under ideal conditions.
