

# Jaraman

AUSTRALIA'S ICONIC WINE REGIONS PROVIDE EXTRAORDINARY DIVERSITY. WITH THE JARAMAN RANGE WE SEARCH FOR PARCELS OF EXTRAORDINARY FRUIT TO CRAFT WINES THAT SHOWCASE THEIR DISTINCTIVE REGIONAL CHARACTERISTICS AND STYLE.

## SHIRAZ 2017

### REGION

Clare Valley 61% / McLaren Vale 39%

### VINTAGE CONDITIONS

In the growing season leading up to vintage 2017, winter rainfall was above average, in fact for the full year, it was the wettest recorded since 2000. Soil temperatures remained very low due to the waterlogged conditions and the below average ambient temperatures recorded through the spring resulted in budburst occurring up to a month later than in recent years. Weather conditions during flowering however were favourable and hence fruit set was good across all varieties. Harvest began in late February and picking continued at a slow and steady rate until early May due to the prevailing mild conditions. Overall, our winemakers have declared the vintage to be above average vintage in terms of quantity and fruit quality. In McLaren Vale, winter and spring saw above average rainfall leading to full soil profiles. Fortunately, the weather patterns during flowering were relatively stable and dry, although temperatures were cooler than average and subsequently, flowering and also veraison was delayed. Because of this, harvest began later too, with very few vineyards picked in February, and then picking continuing into mid-autumn. The weather during March & April were stable, with warm and dry conditions and little rainfall. Overall, winemakers have reported the reds to be lively, bright, spicy, vibrant, and elegant.

### COLOUR

At release, the wine has a deep cerise red colour to the centre with a vibrant purple hue to the edges

### NOSE

There are lifted aromas of black plum and blackberry fruit along with a hint of coffee bean and spice.

### OAK MATURATION

The wine was matured in a mixture of coopers American oak hogsheads (30% 1 year old and 70% 2-3 year old for 14 months before being bottled.

### CELLARING NOTES

Crafted for immediate enjoyment but will cellar over a long term under ideal conditions.

### TECHNICAL DETAILS

Alcohol	14.5%	Acid	6.62g/litre
		Residual Sugar	0.6g/litre
