

TAYLORS®

# ST ANDREWS

NAMED AFTER THE HISTORIC PROPERTY FIRST ESTABLISHED IN 1892.  
A TRUE REFLECTION OF THE TERROIR, ST ANDREWS WINES EXEMPLIFY THE VERY BEST  
OF HANDCRAFTED CLARE VALLEY WINEMAKING.

## RIESLING 2019

### REGION

Clare Valley

### VINTAGE CONDITIONS

In the growing season leading up to vintage 2019, the Clare Valley experienced quite challenging conditions with winter rainfall well under the long term averages and then periods of frost and hail delivered less than ideal conditions for flowering and fruit set. As we progressed into the January ripening period, the challenges continued with extensive periods of hot weather. Thankfully in February the conditions moderated, reflecting a more Mediterranean climate with daytime temperatures far more ideal for ripening. Our winemaking team report that whilst yields are down, good quality exists amongst both the red and white varieties from this vintage.

### COLOUR

At release, the wine is a very pale green/straw colour with a slight green tinge to the edge.

### NOSE

The wine displays vibrant lime aromas with hints of lemon and faint floral notes.

### OAK MATURATION

Nil

### CELLARING NOTES

Crafted for immediate enjoyment but will cellar over a long term under ideal conditions.

### TECHNICAL DETAILS

Alcohol	12.5%	Acid	9.08g/litre
PH	2.80	Residual Sugar	0.20g/litre
