REGION

Clare Valley

VINTAGE CONDITIONS

In the Clare Valley, rainfall was below average for the season, but Mother Nature saw fit to dole out just the right amount of water at just the right time for maximum positive impact on the vine's health and importantly, the quality of the fruit produced. In fact, this was just one of the factors at play when it comes to the vintage being lauded as one of the greats. Firstly, the vines were 'stress free' heading into the winter period, creating the potential for a superior crop. Secondly, conditions were ideal during flowering and then lastly, the threat of frost did not eventuate. All these conditions combined to create what could be described as 'the perfect storm' for an excellent vintage.

COLOUR

A deep, dark ruby red colour.

NOSE

A complex evolution of sweet red plum and cherry fruit characters, interwoven with cinnamon spice and vanilla, along with hints of violet lift that effortlessly flow from the glass. These are underscored by creamy, rich chocolate notes.

PALATE

The palate shows considerable richness and at the same time, superb suppleness. There is much to enjoy with rich, ripe plum and cherry flavours in abundance through the mid-palate, layering beautifully with silky, delicate tannins onto the back-palate and finish, reinforcing the sense that this wine will develop exceptionally well in the cellar.

OAK MATURATION

All fruit parcels were fermented in headless new American oak barrels. The wine was matured in fine-grained American oak barrels (100% new). After 12 months, a barrel selection assessment was undertaken to identify parcels deemed as 'exceptional' and these were blended and returned to barrel for a further 12 months' maturation prior to bottling.

CELLARING NOTES

Immediately approachable but will cellar well in ideal conditions for up to 20 years from vintage date.
