## QUALITY & FOOD SAFETY POLICY

**Our Vision: “To be the best Australian Wine Company & Proudly Family-Owned”**

Taylors Wines is a proudly family owned business specialising in the growing, processing, bottling and distribution of premium wine products for national and international markets.

Our goal is to be Australia’s best wine company ensuring long term market success by providing quality, safe products and services that consistently exceed customer expectations.

We are committed to:

- ❖ enhancing our competitiveness by anticipating and understanding the expectations of our customers and other stakeholders.
- ❖ continuously improve and monitor our Quality and Food Safety Management Systems in line with the requirements of ISO 22000:2018 and the needs and expectations of interested parties.
- ❖ assess key business aspects to develop objectives and targets to sustainably manage our operations whilst enhancing our competitiveness.
- ❖ working with suppliers ensuring the products and services they provide meet the expectations of the company and our customers.
- ❖ ensuring the respect, welfare and job satisfaction of all employees as an integral part of our core family values.
- ❖ improving all aspects of the business by promoting a culture of awareness and developing knowledge and technical skills through training.
- ❖ operating with honesty and integrity which will ensure compliance with statutory and regulatory requirements.
- ❖ strengthening our position as a valued business partner, producing consistent, high quality products.
- ❖ ensure this policy statement is regularly reviewed in light of developments, including changes to legislation and our understanding of best practice.

Taylors Wines are committed to the continuous improvement of our company’s performance and believe that Quality & Food Safety consideration is a responsibility of every employee.

This policy is communicated, implemented and maintained by all levels of the organisation.
